

KRISHNAN COMPANY

CERTIFIED PUBLIC ACCOUNTANT

E-filing is a fast growing trend with more than 80 million Americans choosing to *e-file* their tax returns with the IRS in 2007. *E-filing* is convenient, paperless and quick. There are many benefits of *e-filing* -

1. **Faster refunds:** *E-filing* translates to faster refunds. Refunds are processed in half the time it takes to process paper returns.
2. **Accuracy:** IRS *e-filing* has less than a 1% error rate.
3. **Security:** *E-filing* is very secure & safe. Our tax filing software employs state of the art security and reliability features to ensure a secure and confidential transmission of your return.
4. **Instant confirmation and proof of receipt:** IRS and individual states provide immediate proof that the returns have been accepted.
5. **Electronic payment:** *E-filing* with the IRS allows direct debit of any taxes owed from a checking or savings account, or payment by credit card
6. **Direct deposit of refunds:** Receive your refunds promptly by requesting the IRS or individual states can directly deposit the refunds into a checking or savings account

Krishnan Company is authorized by the Internal Revenue Service (IRS) as an *e-file* service provider. As an authorized electronic return originator (ERO) we are authorized to prepare and file electronic returns with the IRS.
